### RCT - Remote Control Totalizer

#### Product Overview

Ideal for the print shop and retail copy sales environments, the [Remote Control Totalizer \(RCT\)](#) allows an attendant to keep track of copies made on a copier up to 150 feet away. After copies are made and paid for, the attendant simply pushes a reset button to start the process over again for the next customer. The attendant can enable or disable the copier at will, using a keyswitch. The key is removable in either the enable or disable position, and so can be locked out after normal business hours.

#### Technical Specifications

- Easy to read six digit LCD display
- Powered by two long lasting N cells
- Standard 30 foot cable (can be extended)
- Copier specific harness (sprig) included
- Count circuitry accommodates 5 to 30 VDC copiers
- Wall or table mountable
- Comes with Velcro attachment tape
- Dimensions: 3" x 3" x 2.5"
- Weight: 1 lb

#### Warranty

The RCT is warranted against manufacturing defects for a period of one year from date of shipment, to be determined by the serial number on the back of its housing.

To honor legitimate warranty claims, Advanced Technologies (Tekvend) agrees to repair or replace at its discretion any RCT found to have manufacturing defects within the warranty period specified. Advanced Technologies (Tekvend) additionally agrees to pay ground return shipping and insurance on these warranty repairs or replacements.

Advanced Technologies (Tekvend) cannot be responsible for any damage that occurs to product returned to it due to inadequate return shipment procedures. The shipper is responsible for ensuring that return shipment packaging is adequate and that the return shipment is adequately insured.

Advanced Technologies (Tekvend) does not warranty its product for damage caused by abusive use, vandalism, improper installation, and improper field repair. Installer is expected to use the original copier specific harness (sprig) supplied by Advanced Technologies (Tekvend), and install the RCT on the originally specified copier, unless otherwise authorized.
